II. Notes:

- (1) Judges shall work in groups of 1–2, with each group reviewing approximately 8–11 posters per day.
- (2) Based on the combined results of the two days, the number of the Excellent Poster Presenters to be selected in each category shall be 10% of the total number of posters exhibited in that category. For categories with fewer than 10 posters, the number shall be rounded to the nearest integer, and recipients shall be selected on the basis of academic merit.
- (3) Experts shall submit the evaluation results via the WeChat Mini Program by 14:45 on the day of the evaluation.

III. Evaluation Rules

- (1) If any of the nominees are the judge's own students, the judge should recuse themselves.
- (2) Scoring criteria: **a. Scientific Content (30 points); b. Presentation Quality (30 points); c. Communication Skills (30 points); d. Research Achievement (10 points); Total Score (100 points).**
- (3) Judges should act in accordance with the principles of fairness and impartiality and take responsibility for their votes.
- (4) Presenters who do not arrive on time will be deemed to have automatically withdrawn from the competition.
- (5) **Each presenter shall be allotted 5 minutes for presentation and 2 minutes for questions, totaling 7 minutes.** Judging panels are requested to manage the time accordingly; points may be deducted at the panel's discretion for presenters who exceed the allotted time.
