

## ICSTI 2025

The 10<sup>th</sup> International Congress on the  
Science and Technology of Ironmaking

August 25-29, 2025 Beijing, China

### Overview of Conference Proceedings Instructions

Thank you for your interest in preparing a manuscript for the proceedings volume of The 10<sup>th</sup> International Congress on the Science and Technology of Ironmaking (ICSTI2025). The following overview may assist authors with some of the most common questions about submitting a manuscript.

#### About the Publication

All the accepted manuscripts will be published in the conference proceedings.

#### Deadlines

- The deadline for final, publication-ready manuscripts is **March 31, 2025**.

#### Page Limits

- Plenary paper: 8 pages at the maximum
- Invited paper: 6 pages at the maximum
- Contributed paper: 4 pages

#### Formatting: All Publications

The volume of ICSTI2025 will be published in one-column format, so please use the one-column template and instructions the follow. For all the manuscripts in the proceedings, please use these tips to avoid common formatting errors:

##### 1. Manuscript

The composition of manuscript should be the following: title, authors' names, affiliations, abstract, key words, introduction, body of paper, conclusions, references. See details in attached format sample.

##### 2. Typing

The manuscripts should be typewritten or printed by laser printer on only one side of each standard A4 sheet and paginated throughout (including the abstract, figure captions, tables, and reference section). The printing should be in one column in good book face of 10.5 p in total of 46 lines. The margins for the page are 30 mm from upper and 20 from bottom edges, left edges and right edges.

##### 3. Figures

The words, letters and symbols in figures should be in 7.5 p, the vector and matrix in bold; and axis captions in coordinate graphics should be complete and should include measure words, units and symbols.

##### 4. Tables

There should be only one table per sheet, with numbers and titles placed above the tables, with three lines and auxiliary lines if necessary.

##### 5. Symbols

The symbols showing physic quantities, letters identifying points, lines and plans should be in italics.

Science and Technology of Ironmaking

August 25-29, 2025 Beijing, China

## 6. References

References should be numbered in the order they are mentioned in the text. The reference section should be as the style shown below.

- Paper in a journal:

[1] Hewitt J A, Kennedy W J ,Bernier C L ,et al. Effect of carbon on oxidation of ultrafine particles[J]. Acta Metall Mater ,1987, 23 (2) :18-21.

- Authored book:

[2] Fletcher P R, Slater J C, Fu C L, et al. Use of medical literature[M]. 2nd ed. London: Butterworths,1977.

- Paper in conference proceedings:

[3] MA Tingxi , LU Xueshu. Computer aided analysis of the penetration of mounted tillage implement[A]. Zhang Wei, Guo Peiyu ,Zhang Senwen eds. Agricultural Engineering and Rural Development [C]. Beijing : International Academic Publishers, 1992: 157-163.

Note: PowerPoint slides are not acceptable for the conference proceedings publication and should not be submitted.

## References

All the manuscripts in the proceedings should include a references section. Each reference must include complete information about the source material.

## Submitting Your Manuscript

Manuscripts should be submitted in both MS Word and PDF format.

The manuscripts together with the scanned copy of signed copyright transfer forms are requested to submit through the conference website: [www.icsti2025.com](http://www.icsti2025.com) before **March 31, 2025**.
