

The 21st Beijing Conference and Exhibition on Instrumental Analysis (BCEIA 2025) Call for Abstract

The 21st Beijing Conference and Exhibition on Instrumental Analysis (BCEIA2025) is scheduled on September 10-12, 2025, at China International Exhibition Center (Shunyi Hall), Beijing.

The BCEIA was launched in 1985 and has been held 20 times biennially over 40 years. The latest BCEIA 2023 was held in September 2023. Around 4200 scholars from 16 countries and regions participated in the conference, 540 academic presentations were delivered by high-profile speakers, and over 370 posters were displayed. Notably, 25 Chinese and foreign academicians and many world-renowned experts and scholars attended the conference.

We sincerely look forward to your participation in BCEIA2025!

Conference Date: September 9-13, 2025 (9th On-site Registration; 10th -12th Conference; 13th Adjourn)

Conference Website: www.bceia.org.cn

Exhibition Date: September 10-12, 2025

Venue: China International Exhibition Center (Shunyi Hall), Beijing, China

Sponsor: China Association for Instrumental Analysis (CAIA)

Call for Abstracts

BCEIA invites all researchers and scholars to submit their unpublished abstracts.

The conference seeks abstracts aligned with the conference theme. Please visit our website for more information.

Please submit your abstract online and ensure your intention to register for the conference.

Abstract Submission

- ✓ To submit an abstract, first register for the BCEIA2025 Academic Conference through the website: www.bceia.org.cn.
- ✓ Abstracts must be submitted via the online system, with selection of oral presentation or poster.
- ✓ You are welcome to submit a maximum of 2 abstracts if desired. Duplicate submissions to different parallel Sessions of a single abstract are prohibited.

Abstract Preparation

- ✓ Please adhere to the abstract formatting template on the conference website's personal page.

Abstract handling

- ✓ All abstracts will go through a review process. Abstracts that fail to meet our criteria will be rejected without further notice. Abstract submissions reviewed and accepted will be included in the Conference Proceedings (electronic format) released prior to the opening of the conference.
- ✓ Abstracts reviewed and approved will receive an Acceptance Notice, estimated by August 10, 2025, via e-mail (review progress can be checked on the conference website's personal page) .

Posters Instructions

- ✓ Display Board Size: Maximum 120 cm height x 90cm width
- ✓ Abstract Title: Font size shall be no less than 2.5 cm in height, and the layout should follow the order
