

Call for the paper

Dear Colleagues,

We are now accepting registrations and abstracts for the 8th International Symposium on Plasma & Fine Bubbles (ISPF2024; former ISHPMNB renamed) will be held both online and offline (Shanghai, China), May 24-26, 2024. This event is hosted by Donghua University and co-organized by Tongji University, Chinese Society of Particuology together, and sponsored by Shanghai Jinxiang Environment Technology Co., Ltd., Nanjing Tianqi Advanced Oxidation Technology Co., Ltd., Nanjing Suman Plasma Technology Co., Ltd and Zhejiang Jubei Group.

This symposium aims to provide an open forum for researchers to share and discuss the current status of innovative scientific and technological achievements in the interdisciplinary versatile fields of high pressure, plasma and fine bubbles, along with their potential applications in environmental remediation, biomedical applications, agriculture, aquaculture, food safety and industrial cleaning, etc. Since 2017, the symposium has been successfully held seven times in Chiang Mai (twice, Thailand), Iwate (twice, Japan), Ayutthay (Thailand) and online (twice). In 2024, The symposium will bring the world's leading interdisciplinary researchers and technologists together to share the latest research achievements in the fields related to plasma and fine bubble R&D.

Topics will cover the latest theoretical and experimental developments related to plasma and fine bubbles and their potential applications in environmental, agriculture, aquaculture, food safety, biological, medical, industrial cleaning fields and a host of other fields.

The 8th ISPF2024 homepage is now available.

(<https://ispf2024.scimeeting.cn>)

Note the deadline of abstract submission is April 24 for oral talk and is April 30, 2024 for poster presentation.

We are pleased to invite you to participate in this symposium and present your new results in the field. If you have any questions, please don't hesitate to contact us by sending an email to Prof. Yanan Liu (Liuyan@dhru.edu.cn), Prof. Pan Li (lipan@tongji.edu.cn) or Dr. Yinyin Zhang (zhangyinyin11@163.com)

We are looking forward to seeing you in Shanghai, China!

Sincerely yours,

Yanan Liu & Pan Li

Chairs of Program Committee of The International Symposium on Plasma & Fine Bubbles (ISPF2024)
