

QIAN BAOJUN FIBER AWARD

Introduction of QIAN Baojun Fiber Award

Prof. QIAN Baojun (1907-1996) was the founder of the research and education of fiber materials in China. He served as the president of East China Textile Institute (the predecessor of East China University), and made outstanding contributions in the field of fiber materials science. For memorizing Prof. QIAN Baojun, his students and successors around world decide to establish QIAN Baojun Fiber Award to recognize his contribution in Fiber Science and Technology. QIAN Baojun Foundation is in charge of selection of the award winners. Up to now, there are many companies in fiber and textile industry donating to QIAN Baojun Foundation for Fiber Award.

QIAN Baojun Fiber Award is conferred every two years. It includes Distinguished Achievement Award and Young Scholar Award, which will be conferred to distinguished scientists and excellent young scholars in the field of fiber-related sciences and engineering, respectively. Distinguished Achievement Award: The winners should have been recognized distinguished professional achievement in basic or applied fiber sciences. A certificate and USD 10,000 will be awarded.

Young Scholar Award: The winners should be younger than 45, active in fiber science, and have done excellent work in the science, engineering, and technology of fibers, fiber-based materials and devices. A certificate and USD 3,000 will be awarded.
