## Invitation Letter

Dear respected scholars,

On behalf of the Organizing Committee, we are delighted to invite you to attend the 6<sup>th</sup> International Congress on Catalysis for Biorefineries (CatBior 2026). The congress will be held from April 25 to 29, 2026 in Dalian, China. It is jointly organized by the Dalian Institute of Chemical Physics, Chinese Academy of Sciences, and *Chinese Journal of Catalysis*.

CatBior is one of the most influential international congresses covering all aspects of catalytic research on biorefineries. Under the theme “Biorefinery Beyond Boundaries”, this congress aims to bring together international experts, scholars, and industry representatives to share cutting-edge research results and innovative insights, explore future directions and challenges in biorefinery, and build a bridge for in-depth dialogue between academia and industry for promoting the sustainable biorefinery systems.

Topics covered at the CatBior 2026 include:

1. Advanced Catalytic Conversion of (hemi)Cellulose and Platform Compounds;
2. Advanced Catalytic Conversion of Lignin and Plastics;
3. Biomass-Derived Polymers, Materials and Applications.

Your participation and shared insights would greatly enrich our discussions and significantly contribute to the success of CatBior 2026.

We look forward to receiving your favorable response and welcoming you to Dalian.

Yours sincerely,

Sincerely,
