

APMA2025 Program (Continuously Updated)																
Oct. 19		Oct. 20					Oct. 21				Oct. 22					
		9:00-9:20	Welcoming speech 5 min each speech, 4 speeches in total			Registration	9:00-10:30	Technical sessions	10:00-12:00 APMA Board meeting	Exhibition & Posters	9:00-10:30	Technical sessions	Industry tour	Exhibition & Posters		
		9:20-10:10	Country/Region report 10 min each								9:00-10:30	Technical sessions			Coffee break	Technical sessions
			1. ZHANG Shaoming, President of CPMA													
			2. Syuzo Sonoda, President of JPMA													
			3. Jueheang Lee, Representative of KPMA													
			4. Miss Rujirat Rungruangkul, President of ThaiPMA													
			5. Jhewn-Kuang Chen, President of TPMA													
		10:10-10:40	Exhibition Opening				10:45-12:00	Technical sessions		Coffee break	Technical sessions					
		10:40-12:10	Plenary report 30 min each		Exhibition & Posters											
			Design and fabrication of composite powders for laser additive manufacturing Naoyuki Nomura, Tohoku University, Japan													
AI and advanced technologies for P/M with high efficiency, quality and reliability CHAI Guocai, Research Institute of Advanced Materials (Shenzhen) Co., Ltd., China																
Fabrication, microstructure, and key characteristics of hard-to-3D-print metals by using material extrusion additive manufacturing Kee-Ahn Lee, Inha University, Korea																
		Lunch					Lunch				Exhibition closing					
13:00-21:00	Registration	13:30-15:00	Plenary report 30 min each		Exhibition & Posters	13:30-15:30	Technical sessions	Exhibition & Posters								
			Numerical simulation in hot isostatic pressing: current state and challenges Christoph Broeckmann, RWTH Aachen University, Germany													
			Extrusion-based additive manufacturing of WC–Co cermets and Tungsten alloys XIONG Xiang, Central South University, China													
			Metal injection molding of titanium alloys: recent developments and applications CHEN Gang, University of Science and Technology Beijing, China													
		19:00-20:30	Welcome dinner			18:30-20:00	Dinner
