

世界华人生物医学工程协会
World Association for Chinese Biomedical Engineers

The 12th WACBE World Congress on Bioengineering
28-31 July 2026, Changzhou, China

Dear _____:

We take great pleasure in inviting you to participate in the WACBE World Congress on Bioengineering 2026 organized by the World Association for Chinese Biomedical Engineers. The Congress will be held at Changzhou from 28 to 31 July 2026.

This is the twelfth WACBE World Congress on Bioengineering and has already attracted much attention of the biomedical engineering community across the world. We hope you would find it an unmissable opportunity to keep abreast of the latest developments of the field.

For attending the Congress, you need to preregister with or without submitting an abstract. You are also responsible for your travel and accommodation arrangements, while the local organizers may assist as much as possible. There is no financial support for the travel and accommodation expenses nor a waiver for the registration fee, unless informed otherwise. You are also kindly advised to apply for an entry visa as soon as possible at your nearest Chinese consulate or Embassy, if you need it to enter China.

Please visit "<https://wacbe2026.scimeeting.cn>" for the most updated information about the Congress. Should you have any enquiries, please do not hesitate to contact the Congress Secretariat, by Phone at (86) 0519-86330615 or by email at info@wacbe2026.cn.

With kind regards,

Prof. X. Edward GUO
President of WACBE
Stanley Dicker Chair Professor
Fellow of American Institute of Biological
and Medical Engineering
Department of Biomedical Engineering
Columbia University

Prof. Linhong DENG
Life Member of WACBE
Cheung Kung Distinguished Professor
Fellow of American Institute of Biological and
Medical Engineering
Director of Institute of Biomedical
Engineering and Health Sciences
Changzhou University
