

**PTM  
2022**

The 8th International Conference on  
Solid→Solid Phase Transformations  
in Inorganic Materials

**Virtual Meeting Introduction**

# Introduction

- Due to the pandemic, the format of presentation for PTM2022 will be online presentation through zoom webinar meeting.
- The zoom numbers and passwords for entering the online meeting will be delivered through the registered email address.
- Please make sure to register and pay the registration fee **before June 25, 2022.**

# Introduction

To ensure a smooth connection during conference, please allow us to remind you the following issues:

(1) To avoid the connection problems, oral presenters are encouraged to submit the VCR file of PPT presentation with your photo to [ptm2020@csm.org.cn](mailto:ptm2020@csm.org.cn) **before June 10, 2022**. If the file is over 50M, you can upload your file through WETRANSER or big attachment etc.

(2) Please kindly submit your poster through person center of conference website according to poster format **before June 10, 2022**.

# Introduction

(3) If you choose to give a live oral presentation, please make sure to enter the correct session room at least 20min before your presentation.

(4) After your presentation, either online or by recorded video, we will be so grateful if you could stay online for Q&A.

(5) More details about oral and poster presentations will be annouced soon.
