

TMP2022

The 6th International Conference on ThermoMechanical Processing

Shenyang, China | September 6-8, 2022

Virtual Meeting Introduction

Introduction

- Due to the pandemic, the format of presentation for TMP2022 will be online presentation through zoom meeting.
- The zoom numbers and passwords for entering the online meeting will be delivered through the registered email address.
- Authors and presenters are requested to register and pay the registration fee before **August 15, 2022**.

Introduction

To ensure a smooth connection during conference, please allow us to remind you the following issues:

(1) To avoid the connection problems, oral presenters are encouraged to submit the VCR file of PPT presentation with your photo to tmp2020@csm.org.cn before **August 15, 2022**. If the file is over 50M, you can upload your file through WETRANSER or big attachment etc.

(2) Poster presenters are encouraged to submit the poster through person center of conference website according to poster format before **August 10, 2022**.

Introduction

(3) If you choose to give a live oral presentation, please make sure to enter the correct session room at least 20min before your presentation.

(4) After your presentation, either online or by recorded video, we will be so grateful if you could stay online for Q&A.

(5) More details about oral and poster presentations will be announced soon.
