INVITATION FOR SPONSORSHIP

Dear Sponsors and Exhibitors,

It is our pleasure to announce that the **12th International Conference on Mechanical Engineering Design of Synchrotron Radiation Equipment and Instrumentation (MEDSI2023)** will take place in Beijing, China, from November 6 - 10, 2023, and we would like to invite you to become one of the sponsors of the event.

MEDSI is a biennial conference bringing together international experts on accelerators and beamline technologies. In its 12th edition, hosted by Institute of High Energy Physics, Chinese Academy of Sciences, the conference aims to enable collaboration on cutting-edge instrumentation and technology, as well as novel research and development, that drives the rapid advancement in the field of synchrotron radiation and free-electron laser light sources worldwide.

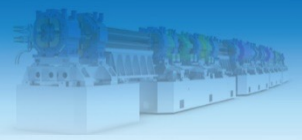

The conference topics include insertion devices, magnets, storage rings, front ends, beamlines, optics, end station instrumentation, and core technology development in vacuum, cryogenic, optics, and precision mechanics.

The MEDSI2023 program will include invited and contributed talks, poster presentation sessions, as well as industrial exhibitions. We expect over 300 delegates from worldwide synchrotrons, to have the opportunity to showcase and exchange cutting-edge developments in mechanical design and engineering of synchrotron-based instrumentation. As an indispensable part of this conference, the exhibition will run in conjunction with the conference, especially coffee breaks as well as poster presentations. MEDSI2023 will undoubtedly provide the most significant marketing platform within the industry throughout the world. We believe this is an excellent opportunity for your company.

We look forward to your participation!

Best Regards,
Yuhui Dong (MEDSI2023 Conference Chair)
Ping He (MEDSI2023 SPC Chair)
