

First Announcement & Call for Papers

WSE2023

9th International Conference on Welding Science and Engineering

第九届焊接科学与工程 国际会议

24-27 July 2023, Harbin, China

Important Dates

Abstract Submission deadline: May 10, 2023

Notification of Acceptance: May 31, 2023

Early Bird Registration: June 10, 2023

Final Program on Website: June 30, 2023

Organized by

- ◆ State Key Laboratory of Advanced Welding and Joining, Harbin Institute of Technology, China
- ◆ Shanghai Key Laboratory of Materials Laser Processing Modification, Shanghai Jiao Tong University, China
- ◆ Chinese Welding Society

Co-Organized by

- ◆ State Key Laboratory of Metal Material for Marine Equipment and Application, Ansteel Group
- ◆ Shandong Provincial Key Laboratory of Special Welding Technology, Harbin Institute of Technology at Weihai
- ◆ Beijing University of Technology
- ◆ State Key Laboratory of Advanced Processing and Recycling of Nonferrous Metals, Lanzhou University of Technology
- ◆ Tianjin Key Laboratory of Advanced Joining Technology, Tianjin University
- ◆ School of Materials Science and Engineering, Jiangsu University of Science and Technology
- ◆ Key Laboratory of Intelligent Manufacturing Technology for Aeronautics Advanced Equipment, Ministry of Industry and Information Technology, Beihang University
- ◆

Sponsored by

- ◆ Shenzhen Megmeet Welding Technology Co., Ltd
- ◆ Nanjing Zhongke Yuchen Laser Technology Co., Ltd.
- ◆

Date and Location

The conference will be held at the JW Marriott Hotel Harbin River North during July 24-27, 2023.

Aims and Scopes

Emergence of new material and structure always stimulates rapid development of welding & joining technology. To enhance the scientific research and engineering applications of welding & joining technology, also to provide a platform for discussions among researchers and industrial partners, the “9th International

Conference on Welding Science and Engineering (WSE2023)” will be held focusing on further development of the research field. This year’s conference subjects on “Advances in Welding Science and Engineering”, and will bring together welding & joining researchers and engineers from industry, academia and laboratories to discuss the cutting-edge progress in the field of welding science and engineering. We warmly welcome participants all over the world to this academic event.

Topics

- ◆ Welding Processes and Metallurgy
- ◆ Quality, Safety and Reliability
- ◆ Modeling and Simulation
- ◆ Micro & Nano Joining
- ◆ Additive Manufacturing
- ◆ Intelligent Materials Processing

Abstract

On-line abstract submission will be available from March 1, 2023. Expanded abstracts of more than 500 words including graph abstract should be submitted electrically by no later than May 10, 2023. The paper title, author(s) name(s) with their affiliation(s) and the keywords should be entered. Acceptance of an abstract for presentation will be based on a rigorous review, and authors will be notified by May 31, 2023. Visit website for more information about abstract submission: <http://wse2023.scimeeting.cn>

Presentation and poster

The conference consists of oral presentations and posters. Authors can indicate their preference when submitting their abstract. English will be the language for presentations and printed materials. A number of invited lectures will be scheduled. Detailed instructions will be provided on the website: <http://wse2023.scimeeting.cn> Best presentation award will be issued to some excellent students (including post-doctor).

Fees

		Before June 10, 2023	After June 10, 2023
Overseas	Attendee	300 USD	350 USD
	Student	200 USD	240 USD
	Accompanying person	100 USD	120 USD
Local	Attendee	1800 RMB	2000 RMB
	Student	1000 RMB	1200 RMB
	Accompanying person	600 RMB	700 RMB

Conference Committees

Conference Chairman:

Peng He, Harbin Institute of Technology, China

Co-Chairman:

Fenggui Lu, Shanghai Jiao Tong University, China

Yanhong Tian, Harbin Institute of Technology, China

Ninshu Ma, Osaka University, Japan

Program Committee:

Chairman: Liqun Li, Harbin Institute of Technology

Co-Chairman: Ke Chen, Shanghai Jiao Tong University

Guoliang Qin, Shandong University

Qian Wang, Osaka University, Japan

Lei Liu, Tsinghua University

Ying Wang, Tianjin University

Fan Jiang, Beijing University of Technology

Shuai Chang, Harbin Institute of Technology

Executive Committee:

Chairman: Sanbao Lin, Harbin Institute of Technology

Co-Chairman: Tiesong Lin, Harbin Institute of Technology

Shang Wang, Harbin Institute of Technology

Xiaoyu Cai, Harbin Institute of Technology

Kai Feng, Shanghai Jiao Tong University

Luchan Lin, Shanghai Jiao Tong University

Nannan Chen, Shanghai Jiao Tong University

National Advisory Committee:

Guoqing Wang, China Aerospace Science and Technology Co. Ltd

Shangyang Lin, Harbin welding Institute

Lin Wu, Harbin Institute of Technology

Jicai Feng, Harbin Institute of Technology

Zhiling Tian, Central Iron & Steel Research Institute
Chuansong Wu, Shandong University
Weimin Long, Zhengzhou Machinery Research Institute
Aiping Wu, Tsinghua University
Jianxun Zhang, Xian Jiaotong University
Changjiu Li, Xian Jiaotong University
Suck-Joo Na, Xian Jiaotong University
Shuili Gong, BAMTRI
Liming Liu, Dalian University of Technology
Zongyi Ma, Institute of Metal Research, CAS
Jihua Huang, University of Science and Technology Beijing
Dean Deng, Chongqing University
Guisheng Zou, Tsinghua University
Hui Chen, Xinan Jiaotong University
Zhuguo Li, Shanghai Jiao Tong University
Lianyong Xu, Tianjin University
Huaping Xiong, AECC Beijing Institute of Aeronautical Materials
Shujun Chen, Beijing University of Technology
Mingyu Li, Harbin Institute of Technology (Shenzhen)
Yongbing Li, Shanghai Jiao Tong University
Wenya Li, Northwestern Polytechnic University
Honggang Dong, Dalian University of Technology
Yu Shi, Lanzhou University of Technology
Xiaoguo Song, Harbin Institute of Technology (Weihai)
Baoqiang Cong, Beihang University
Xiaohong Zhan, Nanjing University of Aeronautics and Astronautics
Ruifeng Li, Jiangsu University of Science and Technology

International Advisory Committee:

Vishvesh J. Badheka, Pandit Deendayal Petroleum University, India
Glenn Daehn, The Ohio State University, USA
Pingsha Dong, University of Michigan, USA
Zhili Feng, Oak Ridge National Laboratory, USA
Hidetoshi Fujii, Osaka University, Japan
Paul Kah, University West, Sweden
Dongil Kwon, Seoul National University, South Korea
Huijun Li, University of Wollongong, Australia
JeongUng Park, Chosun University, South Korea
Upadrasta Ramamurty, Nanyang Technological University, Singapore
Kazuyoshi Saida, Osaka University, Japan
Yutaka S. Sato, Tohoku University, Japan
Masakazu Shibahara, Osaka Metropolitan University, Japan
