- Wentao Zhang** (Shanghai JiaoTong University, China)
- Shuyun Zhou** (Tsinghua University, Beijing, China)

The 10th International Workshop on Strong Correlations and Angle-Resolved Photoemission Spectroscopy

September 10 -15, 2023
Beijing, China

Topics

- Spectroscopic investigations of correlated electron materials
- Many-body theory of correlated electrons in solids
- The photoemission process
- Advances in photoemission techniques
- Relations to other photon-based techniques

Important Dates

Call for abstracts

February 2023

Deadline for abstract submissions

15th May 2023

Early bird registration closes

15th July 2023

Registration Online Closes

31st August 2023

Hosted by:

National Lab for Superconductivity
Institute of Physics, Chinese Academy of Sciences
Beijing, China

Chair: Xing-Jiang ZHOU
