

APCMBE2023 IUPESM-MEP Workshop  
APCMBE2023 医学工程与医学物理国际论坛

@ Suzhou International Expo Centre  
苏州国际会展中心

**Session1 Chair:**

Hairong Zheng & Magdalena Stoeva

**Session2 Chair:**

Ratko Magjarevic & Kangping Lin

**14:00- 18:00 Saturday, May 20<sup>th</sup>, 2023**

14:00-14:05	Address	<b>Ratko Magjarevic</b> President of IFMBE / IUPESM Fellow / University of Zagreb, Croatia
14:05-14:10	Address	<b>Xuetao Cao</b> President, Chinese Society of Biomedical Engineering (CSBME) / Director of the Academic Committee, Chinese Academy of Medical Sciences
<b>Session 1</b>		
14:10-14:30	Opportunities and Challenges for the Development of Biomedical Imaging in China	<b>Depei Liu</b> Academician of Chinese Academy of Engineering (CAE) /IUPESM Fellow / National Laboratory of Medical Molecular Biology, Institute of Basic Medical Sciences, Chinese Academy of Medical Sciences (CAMS) & Peking Union Medical College (PUMC), China
14:30-14:50	Global Collaboration between Biomedical Engineers and Medical Physicists in Reaching Sustainable Development Goals	<b>Ratko Magjarevic</b> President of IFMBE, University of Zagreb, Croatia
14:50-15:10	Evident-based Training and Experience Sharing for Clinical Engineer and Medical Physicist	<b>Kangping Lin</b> Vice President of IFMBE / IUPESM Fellow/ Chung-Yuan Christian University, Chinese Taipei
15:10-15:30	Trends in HealthTech Innovations Shaping Biomedical Engineering Education	<b>James Goh</b> Past President of IUPESM /IUPESM Fellow / Department of Biomedical Engineering, National University of Singapore, Singapore
15:30-15:50	Coffee Break & Photographs	
<b>Session 2</b>		
15:50-16:10	TBC	<b>Luming Li</b> Vice President, Tsinghua University Director, National Engineering Research Center for Neuroregulation
16:10-16:30	COVID-19 and the Collaboration Strategies in Medical Physics Globally	<b>Magdalena Stoeva</b> Secretary-General of IUPESM / Secretary-General of IOMP / IUPESM Fellow / Department of Radiology, Medical University of Plovdiv, Bulgaria
16:30-16:50	Biomedical Engineering Innovations for Brain Science: Some Examples	<b>Hairong Zheng</b> RGR of IFMBE / Vice President of CSMBE / Vice President of Shenzhen Institute of Advanced Technology (SIAT), Chinese Academy of Sciences / Director of National Innovation Center for Advanced Medical Devices, China
16:50-17:10	Design and Validation of MedTech Innovations: the ABSPIE Lab Experience	<b>Leandro Pecchia</b> Secretary-General of IFMBE / IUPESM Fellow / School of Engineering, University Campus Biomedico, Italy
17:10-17:30	Discussion & Conclusion	<b>Hairong Zheng</b> RGR of IFMBE / Vice President of CSMBE / Vice President of Shenzhen Institute of Advanced Technology (SIAT), Chinese Academy of Sciences / Director of National Innovation Center for Advanced Medical Devices, China
