## 欢迎辞

### 尊敬的各位同道：

由上海交通大学医学院和昆明医科大学主办、上海交通大学医学院附属瑞金医院和昆明医科大学第一附属医院承办的“南亚东南亚医学教育与医疗卫生联盟医学影像分联盟成立暨第一届分联盟国际影像交流学术会议”定于2023年10月18日-20日在风景秀丽、气候宜人的中国“春城”云南省昆明市隆重召开。本次大会以“同交流、共聚力、赢未来”为主旨，群贤毕至，少长咸集，有超过50名国内外著名放射学专家进行专业、前沿的学术讲座，为参会代表奉献一场精彩绝伦的学术盛筵。

单丝不成线，独木不成林。为积极响应和主动融入中国“一带一路”倡议，推动中国有关医学院校与医疗卫生机构与南亚东南亚国家的交流与合作，2019年由昆明医科大学和上海交通大学医学院牵头成立了“南亚东南亚医学教育与医疗卫生联盟”。联盟秉承“共商、共建、共享、共赢”的理念，获得相关国家院校和医疗机构的积极响应，目前已经有超过12个国家近40个成员单位，在人才培养、师资队伍建设、科研合作、社会服务、学生交流等领域开展了合作，构建了中国首个将医学教育和医疗卫生合作有机结合的区域国际合作平台，开创了中国医学教育和医疗卫生国际合作的新纪元。

赋能临床，关爱患者。恰逢中国提出“一带一路”倡议10周年，也是昆明医科大学成立90周年之际，我们成立南亚东南亚医学教育与医疗卫生联盟医学影像分联盟并召开学术会议，目的是打造中国有关高等医学院校和医疗机构与南亚东南亚国家以及全球医学影像学界交流合作的纽带，秉承互学互鉴、优势互补，合作共赢、共享成果的合作理念，致力于高标准、惠病患、可持续的合作目标，推动区域医学影像进步，构建区域医学影像发展共同体。

有朋自远方来，不亦乐乎！云南是中国面向西南开放重要桥头堡，同南亚东南亚国家山水相连、友谊深厚；昆明冬无严寒，夏无酷暑，气候温和宜人，鲜花常年开放，草木四季青。我们诚挚邀请您莅临云南昆明共襄盛会！预祝大会圆满成功！各位专家、同道在昆期间生活愉快、身体健康！谢谢！

## WELCOME ADDRESS

Ladies and Gentlemen,

It is my great pleasure to extend a warm welcome to all of you.

Today, we come together to celebrate the "Establishment of Radiology Sub-Alliance of the South and Southeast Asia Medical Education and Service Alliance (SSAMESA-RA) and The 1st SSAMESA-RA International Conference on Radiology," co-hosted by the Shanghai Jiao Tong University School of Medicine and Kunming Medical University, and organized by Ruijin Hospital affiliated to Shanghai Jiao Tong University School of Medicine and First Affiliated Hospital of Kunming Medical University. This prestigious event is scheduled to take place from October 18th to 20th, 2023, in the picturesque and climate-friendly city of Kunming, Yunnan Province, China. With the theme "Unite in Exchange, Gather in Collaboration, Win the Future," this conference will bring together a diverse group of experts and professionals in the field of radiology, with over 50 renowned domestic and international experts delivering specialized academic lectures. We are committed to providing our attendees with an unparalleled academic feast and a platform for fruitful discussions.

A single thread cannot make a cord, nor a single tree a forest. In response to and in active participation in China's 'Belt and Road' initiative, and to promote exchange and collaboration between Chinese medical institutions and healthcare organizations with countries in South Asia and Southeast Asia, the 'South and Southeast Asia Medical Education and Service Alliance' was established in 2019 under the leadership of Kunming Medical University and Shanghai Jiao Tong University School of Medicine. The alliance adheres to the principles of 'Consultation, Construction, Sharing, and Mutual benefit.' It has received enthusiastic responses from relevant universities and medical institutions in several countries. Currently, the alliance comprises more than 40 member units from over 12 countries. It has embarked on cooperative efforts in areas such as talent development, faculty capacity building, research collaboration, community service, and student exchanges. The alliance has established the first regional international cooperation platform in China that seamlessly integrates medical education and healthcare cooperation. This marks a new era of international collaboration in Chinese medical education and healthcare.

"Empowering Patients and Partners in Care". As we mark the 10th anniversary of China's "Belt and Road" initiative and the 90th anniversary of Kunming Medical University, we are proud to establish the Radiology Sub-Alliance of the South and Southeast Asia Medical Education and Service Alliance and convene this academic conference. Our goal is to forge strong connections between Chinese higher medical institutions, healthcare organizations, our South Asian and Southeast Asian neighbors, and the global medical imaging community. Guided by the principles of mutual learning, complementing strengths, cooperation for mutual benefit, and sharing achievements, we are committed to high standards, patient well-being, and sustainable collaboration. Together, we aim to advance regional medical imaging and build a community for the development of medical imaging in our region.

As the saying goes, "Friends from afar bring happiness." Yunnan, with its breathtaking landscapes, serves as a natural bridge for China's engagement with the world, fostering deep and enduring friendships with our neighbors in South Asia and Southeast Asia. Kunming, our gracious host city, offers a temperate and inviting climate, with year-round blooms and evergreen surroundings. I extend a heartfelt invitation to all of you to join us in Kunming, Yunnan, for this momentous occasion. We anticipate a conference filled with insightful discussions, valuable connections, and a rich exchange of knowledge. With your participation, we look forward to a successful and productive event. May your stay in Kunming be not only intellectually stimulating but also a source of joy and well-being. Once again, welcome, and let us together embark on this remarkable journey of collaboration and discovery. Thank you.

南亚东南亚医学教育与医疗卫生联盟医学影像分联盟，英文名称为Radiology Sub-Alliance of the South and Southeast Asia Medical Education and Service Alliance，简称SSAMESA-RA，是南亚东南亚医学教育与医疗卫生联盟的首个重要分支。SSAMESA-RA于2023年10月18日成立，由上海交通大学医学院附属瑞金医院和昆明医科大学第一附属医院任理事长单位和秘书长单位，成员包括来自5个南亚东南亚国家的8家医院和国内41所高等院校附属医院。同期举办第一届分联盟国际影像学术交流会议。SSAMESA-RA将致力于推动中国和南亚东南亚国家及“一带一路”沿线国家医学影像教育和医疗卫生事业的发展，在医学影像人才培养、资源共享、远程会诊、学术交流、技术培训等方面开展合作，推进区域医学影像技术和服务水平提升，不断深入推进中国有关高等医学院校和医疗机构与南亚东南亚国家以及全球医学影像学界的交流合作和成果共享，中外医学影像学同仁们携手并进，共同守护人类健康！

## Introduction of Radiology Sub-Alliance of the South and Southeast Asia Medical Education and Service Alliance

---

This regional multilateral cooperation platform is established to proactively participate in and bolster the 'Belt and Road' initiative. It aims to construct Yunnan Province as an exchange center and foster exchanges between Chinese medical schools and South and Southeast Asian countries. The South and Southeast Asia Medical Education and Service Alliance (SSAMESA) was jointly initiated by Kunming Medical University and Shanghai Jiao Tong University School of Medicine on July 12, 2019. The alliance is a voluntary, non-governmental, and non-profit international consortium that encourages cooperation and exchange between higher education institutions and medical facilities in China, South Asia and Southeast Asia. Over the past four years, the Alliance has expanded to 13 member countries and 52 member institutions, of which 25 are situated outside China.

The Radiology Sub-Alliance of the South and Southeast Asia Medical Education and Service Alliance (SSAMESA-RA) established on October 18, 2023, is the primary branch of the South and Southeast Asia Medical Education and Service Alliance. The Radiology Sub-Alliance is led by Shanghai Jiao Tong University School Affiliated Ruijin Hospital and the First Affiliated Hospital of Kunming Medical University, serving as the co-chair and co-secretary units. The members of Radiology Sub-Alliance include 8 hospitals from 5 countries and 41 university-affiliated hospitals in China. Concurrently, the 1st SSAMESA-RA international conference on Radiology will be held. The SAMEA-RA is dedicated to advancing medical imaging education and healthcare in China, South Asia, Southeast Asia, and countries along the "Belt and Road" initiative. Its primary objectives include fostering collaboration in medical imaging talent development, resource sharing, remote consultations, academic exchanges, and technical training. The ultimate aim is to elevate the standards of regional medical imaging technology and services. The SAMEA-RA is committed to facilitating ongoing dialogue and cooperation between Chinese higher education institutions, medical facilities and the global medical imaging community. Together, professionals in the field of medical imaging from both China and abroad are joining forces to protect and promote human health.
