Invitation to ICSTI2025

The 10th International Congress on the Science and Technology of Ironmaking (ICSTI2025) will be held on August 25-29, 2025 in Beijing, China, which is organized by the Chinese Society for Metals (CSM) and co-organized by the University of Science & Technology Beijing (USTB).

ICSTI Conference is an excellent venue for the academia, researchers and engineers all around the world to exchange state-of-the-art development and information on issues related to ironmaking. We kindly invite you to participate in this meaningful conference and are looking forward to meeting you in the golden autumn – the best season in Beijing.

History of ICSTI Conferences

The International Conference on the Science and Technology of Ironmaking (ICSTI), held every 3-4 years, is organized in a way to provide a forum for best practices and state-of-the-art technologies, new developments, new ideas, and research results in the steel industry. The 10th ICSTI Conference will be held in China for the second time, the previous conferences being held in:

1st ICSTI 1994: Sendai, Japan

2nd ICSTI 1998: Toronto, Canada

3rd ICSTI 2003: Düsseldorf, Germany

4th ICSTI 2006: Osaka, Japan

5th ICSTI 2009: Shanghai, China

6th ICSTI 2012: Rio de Janeiro, Brazil

7th ICSTI 2015: Cleveland, USA

8th ICSTI 2018: Vienna, Austria

9th ICSTI 2022: Bremen, Germany

Topics

The 10th ICSTI will be held in Beijing from August 25 to 29, 2025. It will bring together a wide range of experts, coming from plant operations, plant suppliers, universities, and research institutes, who share expertise in

- Cokemaking
- Sintering
- Pelletising
- Blast furnace ironmaking
- Direct reduction
- Smelting reduction
- Hydrogen (H₂)-based ironmaking
- Electrolysis in ironmaking
- Environmental control in coke- and iron-making
- CO₂ reduction and energy saving
- Recycling of in-plant residues / wastes
- Automation, digitalization, and artificial intelligence in coke- and iron-making

Call for Papers

All contributions to the theme of the conference, as described previously, are welcome.

Prospective authors are invited to submit an abstract of 300 words (in English) to the conference secretariat through the conference website www.icsti2025.com **before November 1, 2024**. The abstract should provide sufficient information for a fair assessment.

Exhibition and Sponsorship Opportunities

In conjunction with ICSTI2025, The Chinese Society for Metals would like to invite you as a plant manufacturer and plant supplier in the the steel industry to actively participate in our conference.

It is estimated that many experts in the steel industry from all over the world will participate in ICSTI2025. Your contribution and participation will help us make the symposium a successful event.

You should not miss this opportunity to promote new products, outline services and highlight key achievements to the delegates of ICSTI2025. This is an excellent opportunity to do business and maintain key contacts with customers and suppliers.

Companies interested in becoming sponsors are kindly requested to email the conference secretariat (icsti2025@csm.org.cn).
