

Notice on the First Round of ACS International Branch's Inaugural "Asia-Pacific Region University Student Academic Poster Competition" in 2024

Honorable participants:

To fully implement the goals set out in the 20th National Congress of the Communist Party of China, we will focus on advancing the strategy of rejuvenating the country through science and education. This includes strengthening the support for talent in order to promote modernization, as well as effectively managing education to meet the needs of the people.

To achieve these objectives, we will thoroughly implement the opinions on the Rejuvenation of Higher Education in Central and Western China, which were issued by the General Office of the CPC Central Committee and the General Office of the State Council. We will also adhere to the principles outlined in the Pu'er on-site office meeting of the Yunnan Provincial Party Committee and the Provincial Government, as well as the "3815 Strategy" of Yunnan Province.

The inaugural "Asia-Pacific Region University Student Academic Poster Competition" will take place in Pu'er, "The Tea Capital of China", from March 20-23, 2024. The event is co-sponsored by the American Chemical Society (ACS) China Southwest Branch, the Asia-Pacific ACS International Branch, and the School of Biology and Chemistry of Pu'er College.

The conference will invite researchers, experts, and academics from different nations in the Asia-Pacific area including China, Malaysia, Singapore, Australia, and South Korea and others with the purpose of delivering academic presentations. The competition seeks to promote and recognize exceptional accomplishments of university students in scientific research and innovation in the Asia-Pacific region, while also offering a venue for presenting their work.

The relevant notifications of the conference are as follows:

I. Conference Theme

Green Pu'er·Many Flavors of Chemistry

II. Organizational Structure

Host Institutions: American Chemical Society (ACS) Southwest China Branch and
Pu'er College.

Organizing Institutions: School of Biology and Chemistry, Pu'er College;
Kunming University of Science and Technology;
Sichuan University of Science & Engineering;
Chongqing University.

Conference Committee:

Chairman of the Conference: Wenhui Ma, Pu'er University.

Vice Chairman of the Conference: Huajun Fan, Sichuan University of Science &
Engineering.

Executive Chairman of the Conference: Yang Tian, Pu'er University.

III. Conference Schedule

Registration time: March 20, 2024, 10:00 AM - 10:00 PM

Conference dates: March 21-23, 2023

Conference venue: Broadcasting Hall, Zhiyuan Building, Pu'er University

IV. Conference Agenda

1. Opening Ceremony of the First Asia-Pacific Student Poster Competition
2. Plenary Sessions.
3. Student Academic Poster Competition and Presentations.
4. Asia-Pacific Regional Scholars Symposium.
5. Closing Ceremony of the First Asia-Pacific Student Poster Competition.

V. Conference Expenses

Xiao Muchong Conference and Exhibition Co., Ltd. of Yunnan Province is responsible for coordinating this conference. Attendees must cover their own lodging and transportation costs while at the conference.

1. Conference registration fees are charged according to the following standards:

Delegate Types	Registration and Payment before March 10	Registration and Payment after March 10
Official Delegate (Chinese Guests)	2300 RMB per person	2500 RMB per person
Student Delegate (Chinese Guests)	800 RMB per person	1000 RMB per person
Family members	1100 RMB per person	1100 RMB per person

Account Information: Please indicate "Asia-Pacific Academic Poster Competition - Name - Organization Name" when making the remittance.

Bank: Yunnan Xiao Muchong Conference and Exhibition Co., Ltd.

Branch: Business Department, Kunming Branch, Ping An Bank

Account Number: 15732258100011

UnionPay Number: 307731006613

2. Conference registration:

Prospective attendees must register for the conference and complete the registration process on the official conference website by March 15th, 2024. At the time of registration, prospective speakers are required to submit their presentation title and abstract.

3. Conference official website: <https://acs2024.scimeeting.cn>

4. Conference Microsite:

VI. Call for Papers:

1. We are requesting submissions for papers that are in line with the conference theme and have not been previously published in either domestic or foreign journals or proceedings. Submit manuscripts via the conference website <https://acs2024.scimeeting.cn> prior to the deadline.
Online Submission: Please upload the abstract or full paper as required on the conference website.
2. The conference covers the following main topics:
Paper submission direction: Chemistry and related fields
Academic poster submission direction:
This competition invites a wide range of "chemistry" posters, with a particular emphasis on encouraging undergraduate students to take part.
3. Deadline for paper submissions: March 5, 2024.
4. See Attachment 1 for the abstract template.
5. Accepted papers (abstracts or full papers) will be included in the "Proceedings of the First Asia-Pacific Region University Student Academic Poster Competition 2024".
Excellent submissions will be recommended for publication in the ACS core journals.
6. Competition posters should be submitted via the conference official website.
