

1st INTERNATIONAL SYMPOSIUM ON TRANSMEMBRANE TRANSPORTERS

April 26-28, 2024 Hangzhou, China

Invitation Letter

Dear _____

Hope you are doing well.

On behalf of the Organizing Committee, we would like to officially invite you to participate in the first **International Symposium on Transmembrane Transporters (ISTT2024)**, which will take place from Friday April 26th to Sunday April 28th, 2024, in Hangzhou, Zhejiang Province, China.

The first **ISTT2024** is jointly initiated by the College of Material, Chemistry and Chemical Engineering, Hangzhou Normal University and the College of Chemistry, Fuzhou University. This symposium will concentrate on cutting-edge and up-to-date research in artificial transporter systems, including solid-state nanochannels and ion transporters. The purpose of the conference is to bring together researchers from around the world and provide with a platform where scientists can share their latest research and discuss recent advancements and challenges in this field.
