2025 International Forum on Energy Transition

Sub Forum Registration Process

1. Visit the forum's official website: <https://ifet.suzhou.com.cn>
2. Registration deadline: September 30, 2025
3. There are two registration channels for participating in the forum:
 - a) "Main Forum Registration" – Limited to individuals with an "invitation code". Through this channel, one can register for the main forum, sub-forums and other supporting activities.
 - b) "Sub Forum Registration" – There is no restriction on this registration channel. Through this channel, one can register for various sub-forums and other related activities, but not for the main forum.
4. Registration process for sub-forums:
 - a) Guests who have already completed registration for the main forum do not need to re-register for sub-forums.
 - b) Guests who do not plan to attend the Main Forum but wish to register for sub-forums or other related activities can use this channel. Click the "Sub Forum Registration" button on the homepage to enter the channel, or visit the website: <https://ifet.suzhou.com.cn/sub-forum/enroll>.
 - c) Fill in the registration information (the email address will be used to receive the login account and password. Please make sure the email is entered accurately).

The screenshot shows the 'Sub Forum Registration' form on the IFET 2025 website. The form is divided into two main columns for personal and organizational information. It includes fields for First Name, Middle Name, Last Name, Gender, Passport Number, Mobile No., Email, Country, and Job Title. There are also sections for Organization Name and Category, and a checkbox for providing support materials. Below the form, there is a detailed list of events for October 24 and 25, including various sub-forums and tours. At the bottom, there are upload buttons for a profile photo and a passport photo, along with 'Reset' and 'Submit' buttons.
